2. Affiliate Program

2.1. MARKETING

The company uses referral marketing to promote the club, the network, the training, the benefits, and the products through registered affiliates signing up new members for our club. Subscribers and members are permanently connected to the sponsor who recruited them as a subscriber or member

2.2. REFERRAL COMMISSION

The COMPANY acts as a referral platform for accredited independent providers of services to the members of the Wealth Masters Club. The COMPANY receives membership fees from members and referral commission from the service providers. The Company will share this income with its Affiliates as stipulated in this document.

2.2.1. On their referrals, Affiliates receive a monthly commission on a Binary System, subject to the requirements below. Referral commission will be paid into the Club Units account of the Affiliates from where it can be redeemed as per the WMC Terms and Conditions.

2.2.2. **Incentive:**

2.2.2.1. If an Affiliate can grow his/her total binary cycles with two cycles per month, the COMPANY will incentivise the Affiliate with an option to decide what portion, or all, of the commission for that month should be paid directly into the his/her TTS Trust bank account and the balance, if any, into his/her Club Units account.

2.2.2.2. Cycles can be stacked. For example, if you grow with four cycles in one month you are good for two months, or, if you cycle with eighteen new cycles you're good for nine months!

2.2.2.3. All referral commission payouts must be in a TTS Trust. The COMPANY strongly suggests that all referral commissions, from WMC or any other company, be paid into a TTS Trading Trust and *not* a TTS Family Trust or a TTS Property Trust. However, it's the Affiliate's choice and therefore the COMPANY will pay it into any TTS Trust bank account the Affiliate nominates. If none is nominated, it's paid into the Affiliate's Club Units account.

2.3. BINARY REFERRAL SYSTEM

2.3.1. Compensation Plan and Classes of Membership

The COMPANY will compensate our Affiliates for every new paying Member recruited by them.

- a. A paying Member is a Member whose Membership fees are paid up to date.
- b. Each Affiliate has an exclusive membership code, the TC Number. Every new referral is linked to this Affiliate's binary tree via the membership code.

As the name says, a binary system consists of two legs. In the settings on our website, the members can choose in which leg they wish to place a new referral. Balancing the two legs of a binary is very important to maximize your income.

PLEASE NOTE: Once a new referral signed up, the binary position can never be changed, except when it's a Company referral. The Company has the right to place its direct referrals under an Affiliate of its choice.

Affiliates earn points on each leg and when they have a certain number of points on both legs, they 'cycle'. A cycle has a specific monetary value as explained below.

2.3.2. CP - Commission Pool

It is the Company's turnover less joining or upgrade fees (if any). It includes the following products and services' net income, amongst others:

- Membership Fees
- Seminars & Webinars
- Risk Management
- Trust Management
- Accounting
- Property Sales
- Property Management
- Financing
- Refinancing
- Bitcoin Mining and Holdings
- Gold & Silver Promotions
- Destinata 12J Funds

2.3.3. CA - Commissionable Amount

It is the CP divided by the number of paying Members. For example: $\$60,000 \div 2,000 = \30

Cycles work like this:

- 25 points on both legs = 1 cycle.
- Multiple cycles can be achieved every month.
- A cycle pays 25% of the Commissionable Amount, which is \$30 in this example.
- The system produces a Commission Invoice according to the cycles, if any, every month's end.
- Cycles cannot be accumulated.
- Affiliates must check their new invoices every month and, if satisfied with the correctness of it, claim their cycles every month by submitting their invoice before the 7th of the month, following the month they cycled. If this

is not done, the unclaimed cycle commission is automatically added to the Affiliate's Club Units account.

- Affiliates can choose to compound a percentage of their cycle commission to their Club Units account.
- Non-paying Members do not have a choice. Their cycle commission is always credited to their Club Unit account.
- Cycle points, both claimed and unclaimed, expires every month after the 7th.
- Unclaimed invoices and submitted invoices cannot be queried or disputed after submittance or the 7th of the month, whichever comes first.

2.3.4. Affiliates automatically earn Binary Points on the following:

2.3.4.1. Monthly Binary Points:

For every person of the followings status in their downlines, Affiliates immediately earn the following points:

Paying Member	25
Chartered Wealth Master	50
MAXIMUM TOTAL PER PAYING MEMBER	75

3. General Conditions

3.1. MAX OUT

Referral Commissions can never exceed 25% of the Commission Pool and Club Unit redemption requests can never exceed the liquidity of the Club Unit's funds. In the unlikely event of it happening, the system automatically deducts the exceeding percentage pro-rata from each commission or redemption due amount and credits it back to the members' commission and unit accounts.

3.2. GENERAL

3.2.1. Affiliates may bequeath or transfer their groups to any other person or entity by way of a written letter or a will, but Affiliates may not combine groups with other groups unless it is approved by the COMPANY.

3.2.2. It is advisable to provide your prospects with "your referral link", because if they click through on that link and subscribe on our website, they are permanently linked to your code as long as they always use the same email address they used to sign up the first time.

3.2.2.1. Please note, the company takes no responsibility if a subscriber re-subscribes with a different email address to another Affiliate's code. It's the first Affiliate's responsibility to convert their subscribers as soon as possible since free subscription only lasts 30 days before deactivation.

3.2.3. Affiliates are not allowed to "poach" the members of other Affiliates.

3.2.4. Affiliates are only allowed to use the branding and IP of the COMPANY if and as agreed in writing with the Chief Operations Officer of the COMPANY.

3.2.5. The COMPANY will generate a one-month backdated invoice which can be viewed monthly on the COMPANY website - under the Affiliate's profile – between the 1st and the 7th.

3.2.6. To qualify for any commission payment, Affiliates must

- 3.2.7. Once the Monthly Terms & Conditions are complied with, the Affiliate should check and confirm the content of the invoice. The invoice should then be submitted to the COMPANY before the 7th - e.g.: If the COMMISSIONABLE AMOUNT was received on the 1st of March, the Affiliate will only obtain the referral fee on the 15th of March. Should this date fall on a public holiday/weekend, the payment will be processed on the first working day thereafter.
- 3.2.8. Commissions or Binary Points paid or allocated incorrectly, will be deducted again.
- 3.2.9. If a Member fails to pay his/her Platinum/Elite/Premium fee for two consecutive months for whatever reason, it can, at the sole discretion of the COMPANY, result in the permanent suspension of the Member's contract and membership – in this case, the Member will forfeit all referral fees and accumulated credits permanently. Please note, there is a fee payable when reinstating a Platinum / Platinum Elite / Premium Membership.
- 3.2.10. Kindly ensure that you send the COMPANY your correct banking details for the payment of the referral fees. It's the Affiliate's responsibility to double-check that we have the correct details, and to notify us when there is a change.
